Wedding Ceremonies are available only to those whose Receptions will be held at the Lodge to allow you adequate time to greet and seat your guests, the Courtyard pool closes 30 minutes prior to all indoor wedding ceremonies. The pool will remain closed for an additional 30 minutes after your ceremony.

INDOOR CEREMONIES

The airy beauty of the wooden gazebo within our 3-story atrium Courtyard sets the stage for classic indoor weddings, with a spectacular wide-angle view of gracefully trimmed lawns and the banks of the peaceful Cass River. For the convenience of your wedding party and guests, our banquet rooms, guestrooms and main lobby are just steps away.

OUTDOOR CEREMONIES

Recite your vows under a decorated lattice arch, surrounded by the natural beauty of our Terrace or Platz area, overlooking the Cass River, then enter into one of our themed banquet rooms to greet and entertain your guests. Alternate space for your ceremony will be reserved should inclement weather require Bavarian Inn Lodge management to move your ceremony indoors.
