Your Wedding Photographs...

Capture the most magical time of your life with professional wedding photographs. This is the day you've dreamed of for as long as you can remember – the day you'll talk about, laugh about, and look back on long after the champagne is gone, long after the hugs and well wishes, long after the honeymoon. It's the day you'll want to preserve and relive forever.

Lyn Jolley Photography's staff of professional wedding photographers and digital album designers work one-on-one with you to create a wedding package that captures the dignity, joy and fun of your wedding day. Our award-winning photographs have preserved the emotions and magical moments of weddings throughout southeastern Michigan and the Detroit metro area for over thirty years.

We use only professional grade Kodak film and paper, and participate in the Kodak Promise of Excellence Program. Your photographs are guaranteed. Learn more about our qualifications, awards, and experience on our [About Us](#) page.
